Blue Devils Battle E.C.I. Bulldogs Friday Nite; Game To Be Toughest On '38 List

High Schoolers Show Great Fighting Spirit In Drubbing Vidalia Indians 13-0

"We are going to beat E. C. I. Friday night." These are the words that the coach of the Statesboro Blue Devils uttered the day after the game between Statesboro and Vidalia in which Statesboro was victorious 13-0.

Coch Johnson of Statesboro High said that he didn't care what was printed in the newspapers or what was said by the fans as to how good a team the E. C. I. coaches will bring down here Friday night, he knows his boys were going to outstep the boys with "Bulldogs" as their nickname. He stated that "Bulldogs" doesn't mean a thing, when it is put up against the "Devil."

With the Vidalia Indians' scalp under their belts the Blue Devils from the Statesboro High school are preparing for probably the toughest game of the season. E. C. I. has already won in their "won column" and they say they will chalk up another Friday night. But they didn't say which column they would be chalking in, although it was supposedly taken for granted that they meant the "won column."

The game with E. C. I. will be played under lights on the Statesboro Athletic field and is scheduled to begin at 8 o'clock.

All of the Blue Devils are in fine shape although they were quite a few sore muscles and several scratches after their tilt with the Indians on Thursday night. These should be worked out by the time the whistle blows for the kickoff Friday night.

BLUE DEVILS DEFEAT VIDALIA BY TWO PLAYS ON A RAIN SOAKED FIELD 13-0

On a football field that had three days of washing by heavy rains and that was being wrenched off with a light drizzle that insisted on falling throughout the entire game, Davis Barnes and ten other Blue Devils defeated the Vidalia Indians in a manner that proved very decisively that they, the Blue Devils, were much the better team.

With two plays, a pass for an extra point exceptionally good punting, stout line on defense, and a fast defense for a pass attack (a wet ball) the Blue Boys of the High school marched off of the newly washed Athletic gridiron in much more glory than they did when they marched on for the opening kickoff that lit the fuse on the local football season after they had secured thirteen points and acquired the "hone" that Vidalia acquired.

The two plays were—an off tackle line drive with Davis Barnes making anywhere from five to ten yards at a try and carrying a portion of Vidalia line with him—end run with Joe Robert Tillman, Bruce Robertson and Edwin Groover carrying the ball for nice gains. The pass for the extra point—Edwin Groover to John Smith. The good punting by—Joe Robert Tillman and John Smith. The stout line—they all did well, but special mention goes to Cliff Parvis, Charles Layton and Roy Hitt, end, center and tackle, respectively. The fair pass defense, a muddy field and wet ball. That is the ball game with around 500 people there to witness it and get a good taste of a Fall rain.

Both of the Blue Devil scores were made by Davis Barnes and he still was carrying a portion of the Vidalia line.

15,000 LBS. OF WINTER LEGUME SEED RECEIVED
The first lot of winter legume seed ordered cooperatively totaled about 15,000 pounds. Most of this shipment was sent last week. The shipment delivered this week was for some 12,000 pounds.

The price for Australian winter peas and hairy vetch for the cooperative order is good until October 15. Bulloch farmers who desire to buy the peas at \$4 per hundred delivered and the vetch at \$8.10 are urged to file their order with one of the vocational agriculture teachers or county agent prior to Saturday night.

Under the soil conservation for 1938 enough payments are available to offset the cash outlay in seeding winter legumes and the using of 16 per cent acid phosphate or basic slag on these legumes.

Petition Asks For Juvenile Court

PETITION POINTS OUT NEED OF SUCH A COURT AND THE GOOD THAT IT MAY DO

A petition is being made to Hon. Wm. Woodrum, Judge of Bulloch Superior Court asking for the establishment of a Juvenile Court in Bulloch county. The petition asks Judge Woodrum to appoint City Court Judge Linton G. Lenoir as the judge of the Juvenile court.

The petition points out the need of such a court and that Judge Woodrum has the authority according to Section Five Juvenile Court Amending Act of 1925.

The petition further points out that there have been a number of cases lately in Bulloch county that would come under the jurisdiction of a Juvenile Court but at the present there is no one with authority to deal with these cases until they have really committed some crime and that it is improper to allow certain orphans, incorrigibles, delinquent and neglected children continue in bad environment until they become criminals, when in many instances with the proper assistance, they can be brought up to be good moral citizens.

Mr. And Mrs. W.W. Mann Do Their Own Home Landscaping

Taking advantage of the fact that there are many native plants in Bulloch county that will change just a home into a place of beauty and pride, W. W. Mann and Mrs. Mann have over the last three years found 58 varieties of shrubs and 14 trees suitable to use in landscaping the ground about their home. Mingled with these native plants they have 54 varieties of cultivated flowers and plants. Behind a large, spacious lawn of carpet and centepede grass they have more than 1,000 shrubs, flowers and trees grouped in a well-planned garden that is a demonstration for the community.

In discussing their landscape program in a 30 minute period over radio station WTCC from Savannah Wednesday, Mr. and Mrs. Mann pointed out that their project was a family job and that there was work in the garden for every member of the family.

Mr. Mann stated that it was necessary to select small plants and then prune them severely. He never fertilizes the plants when transplanted but uses mulch around the roots. The fact that he has lost only a few plants out of the more than 1,000 moved indicates that his idea is correct. All through the year and tag them for transplanting in the fall.

Mrs. Mann thinks it important to study the grounds from all approaches to the home, from the various parts of the house, through the windows, and from the rear of the house, and then follow a definite plan if the desired effects is to be obtained. She has grouped her plants so well that the bare sand yard started with in 1935 now is a garden they can just be proud of. Their groupings show that the plantings were not made around this country home without thought and study. The placing of the shrubs, trees and flowers about this large lawn is comparable to that found in urban communities.

The native plants selected have blossoms, leaf beauty, form, fall coloring of berries and leaves even when the bloom is inconspicuous. For softening stiff lines or covering bare spots, they have used native cypress, weeping, and spruce pine in addition to ivy, coral and wisteria. A Cherokee rose also helps screen one of the back yard fences.

For a base they have massed a few varieties of shrubs with taller growing plants flanked by smaller ones to lengthen the blooming season. Broad leaved evergreens were used for a background because they disliked the formality of the quick effect conifers.

Mr. and Mrs. Mann admit that using native plants to landscape their home called for more labor than would have been required of them had they purchased their plants from a nursery, but Mr. Mann was quick to add that it did not call for the cash outlay that nursery stock would have called for.

Talmadge And Supporters Stage Walk-out In Macon

PLATFORM CALLS FOR CONTINUANCE OF THE RIVERS PROGRAM IN THE STATE AND CO-OPERATION WITH NATIONAL ADMINISTRATION

With the efficiency of a steam roller the state Democratic convention in Macon last Wednesday moved swiftly along with no indication of the fireworks which were touched off at 8:30 the afternoon when Samuel D. Hewitt of Atlanta, chief counsel for Talmadge, called upon the convention to nominate Talmadge, asserting that the George nomination had been "obtained by fraud and in violation of the laws of the state."

The Talmadge fight developed after Governor Rivers and Senator George had been duly placed in nomination and resolutions offered declaring them the nominees of the party for Governor and Senate.

Mr. Hewitt, appeared before the microphone and announced that he was a delegate by proxy from Marion county. The proxy was certified by B. S. Miller, chairman of the Marion delegation. When he had secured recognition from Zack Arnold, the presiding chairman, Hewitt faced the convention waving what he said were ballots "stolen from the ballot box in Greene county." This statement was greeted with cries from the galleries "That's right, that's right."

He stated that he was ready to present affidavits showing that "George either himself or through his agents had purchased votes in Greene county."

Hewitt also charged that a number of ballots had not been counted in Habersham county. He cited 23 contests filed in as many counties by Talmadge and declared that Talmadge had been denied a fair hearing in all these counties.

Hewitt was followed by B. S. Miller, who seconded Talmadge's nomination. He insisted upon the right

DR. R. J. KENNEDY CASTS BULLOCH'S FOUR VOTES AT MACON CONVENTION
Dr. R. J. Kennedy, as chairman of the Bulloch county delegation to the state Democratic convention, cast Bulloch county's four unit votes for Senator Walter F. George in the roll call which was forced by the supporters of former Governor Talmadge at the convention held in Macon last Wednesday.

He was heard amid cheers from the galleries and scattered boos from the delegates' section on the main floor.

C. T. Guyton, of Effingham county, who also made a seconding talk furnished the most amazing demonstration of the convention. Possessing a voice which would have been heard over the entire auditorium, it was magnified by the microphone into a boom which rocked the hall. The delegates feeling the tension, lessened began heckling the speaker with shouts of "Louder! Louder!" and "take him away. But Guyton out shouted 5,000 voices and retired only when Zack Arnold, vice chairman, called time on him. The convention having previously adopted a rule allowing only five minutes for each of the seconding speeches.

After the seconding speeches were made and a vote called for on the nomination, Talmadge supporters forced a roll call. Vice Chairman Arnold ordered the roll call, when more than one-fifth of the delegates called for it.

Each county was polled and the chairman of the county delegation was ordered to vote as his county had voted. George received 242 county unit votes, 36 more than the 206 necessary to nominate a candidate. Talmadge received 148 county unit votes and Camp 20 unit votes.

With the roll call completed the democracy of Georgia renominated Walter F. George as its candidate.

Blue Clad Forces Travel To Swainsboro For First Grid Game Out Of Own Backyard: Nite Game

BLUE BOYS FIGHT SUPERIOR MAN-POWER IN ONE OF SEASONS MOST HEFTIC GAMES

Statesboro's fighting football forces rocked on their heels by E. C. I.'s superior drive and man-power in the first half, came back with a second half surge to score two touchdowns and an extra point and thereby posted a six point lead. The Blue Devils tried desperately to hold that six point margin, but the E. C. I. Bulldogs again rose to their superior drive and power to cross the glory strip once more and to tie the score at 13-13.

And as the some 1500 people braved the chilled October moonlight and held their breaths in fear that the Emanuel boys might push over that most precious one point which would give them victory, the Statesboro Blue Devils rose up in all their might and stopped cold, in his tracks, O'Toole, who had the Blue Devil line in his mercy all night. And when the final whistle blew the score stood E. C. I. 13, S. H. S. 13.

Statesboro lost the toss and E. C. I. elected to receive and Davis Barnes got off a nice long kick and the ball was put into play on the E. C. I. 35 yard line. Two line plays failed and the Bulldogs went into kick formation and as a result of a bad pass from center they lost fifteen yards. This put the ball on their own 20 yard line. They kicked on the next play, but it was a poor kick. It is Statesboro's ball on E. C. I.'s 40 yard line.

The Blue Devils began a drive that seemed destined to turn into a score but after an incomplete pass from John Smith to Joe Tillman the threat died and ECI received the ball on their 10 yard line and then on the 2 to the half it was E. C. I. all over the field. The Bulldogs unleashed their power with O'Toole doing most of the mail work, drove right on down to a touchdown and an extra point. John won scored the six points and O'Toole backed over for the extra point.

In the last minute of the second quarter, Layton, Blue Devil center, intercepted a pass from Henderson and it looked as though he was a way but he was tripped and the half ended two plays later.

The Blue Devils came back for the second half and with a renewed spirit drove uninterrupted to the glory mark and converted for the extra point to tie the score 7-7. Smith backed over for the touchdown and then on the try for the extra point, passed to Barnes for the extra point.

In the same period, the Blue Boys on the line who were playing with vigor their hearts broke through the E. C. I. wall and blocked a punt, Layton who had been playing heads up ball the entire night snatched up the oval pig.

Macon Convention

(Continued from Page One)

for the United States Senate, former Governor Talmadge, who sat in the rear of the auditorium, during the roll call which eliminated him from the Democratic primary contest, left the convention hall after the result was announced. He said that he had "no comment" at this time.

Senator George was placed in nomination by 'State Senator David S. Atkinson, of Savannah. Mrs. John A. Hollison, of Waycross and Revenue Commissioner T. Grady Head, of Ringgold, seconded the George nomination.

In his acceptance speech, Senator George declared that he would work for the common good of all Georgia democracy and promised to give full support to the program calling for full payment of old-age pensions by the federal government and for revised and improved payments to farmers participating in the crop control programs.

Before beginning his speech the senior senator introduced the members of his family and Edgar B. Dunlap, former attorney of the Atlanta office of the RFP who was dismissed from that position for taking an active part in the George campaign.

The Rivers nomination was made unanimous when Glen Giles of Cobb county reported to the convention that he had not been placed in nomination to the convention and J. J. Manham, Jr., son of the candidate for governor, cast Harlan county's vote for Rivers. Manham carried Harlan county in the September 14 primary.

Charles S. Reid, retiring chairman of the state Democratic committee, placed Governor Rivers' name before the convention for renomination. Seconding speeches were made by T. G. Reeves of Columbus, chairman of the board of commissioners of Muscogee county, Henry T. McIntosh, of Albany, and Professor A. G. Cleveland, supervisor of schools in Valdosta.

Mr. Rivers in his acceptance speech called upon the Democrats of the state to "march unitedly for the continued progress." He called for the completion within the next two

years the program laid down in 1936. He introduced the members of his family to the convention.

Jim Gillie, of the state highway board was made permanent chairman of the state Democratic executive committee.

The platform was adopted as written by the committee after James H. Skelton Sr., of Hart county tried vainly to amend it from the floor to provide a plank calling for no increase in taxation, particularly barring a sales tax.

The new platform calls for the continuance of the Rivers program in the state, continued cooperation with the national administration and reaffirmed the "obligations of the state to replace the revenue losses sustained by the counties through relief of

the taxpayers by the exemption amendments."

It was estimated that more than 5,000 people attended the convention which was held in the municipal auditorium in Macon.
